

The TV-MARS Database Release Agreement

The SmartVIP lab directly by Prof. Jianqing Zhu in Huaqiao University of has constructed the Text-to-Video Person Re-identification Database (TV-MARS). The TV-MARS database is now made available for research purpose on a case-by-case basis only. The SmartVIP lab is serving as the technical agent for distribution of the database. Any researcher who requests the TV-MARS database must sign this agreement and thereby agree to obey the restrictions listed in this document. Failure to observe the restrictions will result in access being denied for the request of the future version of the TV-MARS database and being subject to civil damages in the case of publication of data that have not been approved for release.

The researcher(s) agrees to the following restrictions on the TV-MARS database:

1. The TV-MARS database is available for non-commercial research purposes only.
2. You agree that the database will not be further distributed, published, copied, or further disseminated in any way or form whatsoever, regardless of whether the dataset is modified or not. This includes further distributing, copying or disseminating to a different facility or organizational unit in the requesting university, organization, or company.
3. The SmartVIP lab reserves the right to terminate your access to the database at any time.
4. All submitted papers or any publicly available text using the TV-MARS database must cite the following paper:
Jiajun Su, Simin Zhan, Pudu Liu, Jianqing Zhu and Huanqiang Zeng. "Text-to-video Person Re-identification Benchmark: Dataset and Dual-Modal Contextual Alignment", Neurocomputing, Vol. Xx, No. Xx, pp. Xx, 2026.
5. This agreement must be signed by an academic staff.
6. The TV-MARS database relies on images in the MARS database. Please request the MARS database from its authors and follow their agreement.
7. The final explanation of this agreement refers to the Smart VIP lab.
